FINE PROGRAM ARRANGED FOR BIG REGATTA DAY

TWELVE EVENTS WILL BE ROWED AND SAILED—SHELL RACE ATTRACTING MUCH ATTENTION—MANY OF THE CREWS WERE OUT YESTERDAY.

THE PEARL

Luther Hough's Pearl, which has been altered and almost rebuilt. This little craft has shown much speed, and her skipper handles her in fine form. The Pearl will compete in the sailing races on Regatta Day.

Now that the program for Regatta Day is announced, the dozen or so events that figure on the schedule look pretty good to the followers of rowing and sailing. There may possibly be another race that does not figure on the program, and that is the shell event that has been causing so much talk lately. Tom King, the energetic chairman of the regatta committee, has been rounding up the oarsmen who are to take part in the shell race, and yesterday afternoon five men turned up at the Myrtle boathouse.

Shell Crew. Gus Schaefer, Louis Underwood, Arthur Ewart, Ralph Johnston and Louis King were on the spot and a crew was gotten together for a trial spin. Schaefer, King, Johnston and Ewart manned the shell, and the way they sent the boat through the water was a treat to watch. All four men are good enough, and although Schaefer has not rowed in any shell races, he knows how to pull a decent stroke.

The Healanis have a shell crew which lines up as follows: Charlie Brown, Will James, Sumner and Cameron. This quartet will make the Myrtles do their very best in order to win. Both crews will do some strenuous training between now and September 17, and the re-

sult should be a fine, exciting race. The special pair-oar race between the Prince and Ale. Robertson, against Charlie Chillingworth and Frank Thompson, is going to be a peach. The training stunts of the veterans have been good, and although Charlie Chillingworth did overexert himself on Labor Day, while trying to navigate the globe in a small boat, the crews are getting into fine shape. Lots of wagers have been made on the result of the race, and Panama hats and other useful articles will be purchased by one side or the other after the event is past.

Many Crews Out.

Yesterday afternoon all was bustle on the harbor, and no less than five six-oar barges came racing in from the spar buoy at one time. The seniors, juniors and freshmen were all out, and a great sight the fleet presented as the oars lifted and flashed in the sunlight.

The Myrtles would like to have three barge events for freshmen and seniors on Regatta Day, but as there is a shortage of boats and there is no chance of the men getting properly trained for the events, the program will stand as arranged.

Much speculation is going on as to which club will win the premier honors this year, and both sheds

have enthusiastic backers who will not listen to any suggestion of defeat. The Myrtles have such a long string of victories behind them that they think they can add one more on September 11. The Healanis, however, know that they have improved a lot, and, having lowered the colors of the Myrtles in the impromptu regatta some months ago, they feel that they can repeat the dose.

There has been a general revival of really amateur sports lately, and what with polo, tennis and rowing, things look bright for clean sport. The polo series attracted more attention than ever before, and the general public was much interested in the series. Then the annual tennis championship caused much excitement, and many people who, as a rule, do not attend the matches, did so and were very pleased with the games.

The regatta this year will be another branch of clean amateur sport that will surely draw a crowd, and the program that has been arranged is as good as any of the past. The events will be as follows:

- 1—Senior Six-Oar Sliding-Seat Barge. Prize, \$25 trophy.

OAHU COUNTRY CLUB TO HOLD MEETING

Election of Officers for Year and Other Matters.

Tonight at the Young Hotel roof garden, the annual meeting of the Oahu Country Club will be held and some interesting and important matters will be attended to. The meeting will be called to order at half-past seven o'clock, and after the usual business is transacted, the election of officers will be proceeded with.

The Country Club is flourishing, and many improvements have been made on the links and at the clubhouse. The policy of the management is to keep on improving the property all the time, and many alterations have been made during the past year.

The Stewart Cup tournament will also come up for consideration, and the matter will be attended to by the committee in charge of tournaments.

Joe Forrest, who is leaving for Australia in the near future, will find that on the big rinks of Sydney and Melbourne are to be found skaters who can clip a lot off his Honolulu record for the mile. Ice skating is the principal diversion just at present in the Australian cities, and the rollers are somewhat neglected, although some of the rinks are still going.

The Wailua baseball nine were defeated on Monday last at Laie by the Kahuku outfit. The score was 10 to 8, and the defeat of the Wailua was a surprise, as they had won every game played this season so far. The game on Sunday went to the Wailua team by a score of 18 to 7, so the defeat on Monday was an unexpected one.

Lieut. C. L. Sturdevant of the Engineers Corps, U. S. A., made a world's record at Camp Perry, when he shot twenty-four straight bull-eyes, and finished the Leach Cup match with the perfect score at three ranges. His total was 105, which is one more than Capt. K. K. V. Casey made in 1898.

Mrs. Coulter, who was defeated in the Californian tennis tournament on August 27, has evidently fared no better in the preliminary rounds of the Del Monte championship meet. The tournament is over now, and no cable has been received saying how the Honolulu champion lady player has fared.

South Africa is shining on the Rugby football fields as well as the cricket grounds. At Johannesburg lately the South Africans defeated the English team by 14 to 19.
